## Foreign Intelligence. Great Britain.

From Scotland we have a series of awful a lents, fires, and alarms of fires, especially in Glasgow. One fire has destroyed £40,000 worth of property in the city; and an alarm of fire, in p-street Theatre, has destroyed sixtythree lives. As usual, a panic and abortive at-Scotland, from Ireland, and more numerously "The Arms of the Republic are to represent an eagle, surrounded by a Civic wreath, with its wings extended, in flight holding the consular resultural colony, all of their own persuation.—

The Arms of the Republic are to represent accounts in a great purpose, of the Arms of the Republic are to represent an eagle, surrounded by a Civic wreath, with its wings extended, in flight holding the consular which was to cut his straps and let himself out which was to cut his straps and let himself out sights."

The most recent accounts from Gaeta show that hitherto there is no probability of an Inter
I found the community at Culloma in a great state of excitement. Some three weeks since a which these are the unconscious instruments in the hand of an all ruling Providence.

On Wednesday, the 20th Dec. the ceremony of the proclamation of the election of President took place in the National Assembly, and M. Marrast is a loud voice, though somewhat broken by emotion, declared Louis Napoleon to be the President of the French Republic—" Democratic and invisible-from that day to the 2nd Sunday in May, 1852, and invited the new Pre- Feb. 27. sident to come forward and take the oaths required by the Constitution.

Louis Napoleon advanced to the tribune, and forward its interests in all respects. He then read the following Address to the Chamber in a firm voice and with good success:

Citizes REPRESENTATIVES:-The suffrages of the nation and the oath I have just taken trace out for me my future conduct. I shall follow it as a man of honor. I shall regard as enemies of our country all those who shall attempt to change willegal means what all France has established etween you and me, Citizen Representatives, re cannot be any real difference of opinion. or wishes, our desires, are the same. I wish, ike wou, to place Society on its true basis; to ocratic institutions and to alleviate he miseries of that generous and intelligent peowhich has just given me such a striking proof

The majority which I have obtained not only castrates me with gratitude, but it will give to new Government the moral force without ich there is no authority. With peace and der our country can again improve—can cure swounds, bring back the men that have been listed, and calm down their passions.

Anunated by a sincere spirit of conciliation, I who, in spite of their political origin, and ready devote themselves, with you, to the applicaon of the Constitution, the improvement of the lenor and the glory of the Republic. A Government coming into power owes a debt of thanks hority is handed over to it intact, and in partichis conduct is worthy of the generosity of his country. Austria has published a long diplomatic note on the subject of the centralization of Germany; through four months ago.

Austria has published a long diplomatic note on the subject of the centralization of Germany; through four months ago.

E. G. B.

The Places.—Under this head, we are sorry to say, the news is intolerably stupid. Since occupation of a German Imperial throne by any our last we have conversed with numerous fresh our last we have conversed with numerous fresh compercial from the mines, and obtained but as a

ned strength from the division on Gen. Outot's motion, which was carried by 461 to 895. he uses of the ballot were strongly exemplified.

as given and attended, his reviews in the imp de Mars and the Champs Elysees, his ribution of crosses of the Legion of Honour, should become once more turbulent. The have alight hold on the Parisians at the party. t moment, yet Italy and the restoration of pe are topics of interest.

Italy. orther particulars on the proclamation of the

he National Assembly decided the important on of the form of government to be adopy the Roman States on the 7th instant. The was protracted until one o'clock in the g when the votes of the whole Assembly the exception of about twenty out of one ired and forty, decreed the immediate estament of a Republic. The great bell of the tol accordingly announced the important to the population. Those deputies who dagainst the proclamation of the Republic, have left the form of the Roman Governto be decided on by the Italian Constituent decree was published.

ters have been confirmed in their offices by the and high hope to the mines will leave his bones Assembly and have already issued a proclama-tion signing their names as Ministers of the Re-closed. publican Government. Accounts from the frontiers represent things to be in Statu quo and the Minister of War declared to the Assembly yes-

Scotland, from Ireland, and more numerously from Wales as from the vicinity of this metropolis, and from the northern part of England, sects called Mormonites, the Plymouth Brethern, and the Latter-day saints, are making a grand and the Latter-day saints, are making a grand offices; they are however to remain at the church-er, and other places consecrated to religion.

The Arms of the Pope are directed by about fifty pounds of flour, on his shoulder a bundle of tools, and under his arm a box of Principles. The Arms of the Pope are directed by saints, are making a grand offices; they are however to remain at the church-er, and other places consecrated to religion.

The Arms of the Pope are directed by saints, are making a grand of the Constituent Assembly had decreed that sack coat, flashy vest, and panticions with straps on, while upon his back was a box containing about fifty pounds of flour, on his shoulder a bundle of tools, and under his arm a box of Principles. Palace of the Cæsars, with the usual accompanish Bar, whilst the men were at work, and after

with the French Commander-in-chief, will immediately leave Naples for Palermo, with the ships under their orders, for the purpose of carrying into effect the ultimatum of the two governments with regard to Sicily.—Malta Times,

fortnight, the apparaugio has been sold to strengthen the treasury; the Pope's Swiss guards taking the pay of the Provisional Government. General Zucchi has been declared a traitor. On the 5th, the "Constituente" or new Parliament in both Chambers opened its session with as much state as the absence of the nobility and Weber's Creek where they killed twenty-one, priesthood could afford. A grand mass was at- and took prisoners some forty Indians; among tempted at the Ara Cœli, but failed for want of the party were found some of the clothing, and priests. A military chaplain with torch-bearers little articles which had belonged to the murderby a number of voices, but Sterbini and the party and they were retained for trial. On the afterto adopt a republic form of government, and all of the mountaineer's were instantly levelled the steeples in Rome pealed out that resolution in the dead of night. The Papal sovereignity is abolished; guarantees are offered for the full excreise of the supreme Populate and the leader of the party, and six of the seven is said to have been the leader of the party, and ercise of the supreme Pontificate, and the glorious name of the Roman Republic is restored.

Every sign of papal sway, that is every memorial of the Pope was ordered to be removed in three days, and the arms everywhere except on churches and the houses of ambassadors which they dared not touch. The Assembly has confered by Indians, and many an Indian picked off by a-mountaineer's rifle. Hereafter treaties cannot be made, and the two races can prove carnival which has just commenced is gloomy. live together harmoniously; and I doubt not but No foreigners but Americans remain in Rome. No foreigners but Americans remain in Rome.

Portugal.

occupation of a German Imperial throne by any thout being either Reactionary or Utopian.—

German prince. It seems inclined to federalize, but would rather postpone the decision till the would rather postpone the decision till the division has been further argued. Another important paper from the same cabinet is an apportant pap The European Congress at Brussels has not yet commenced its sitting, nor can it while the Austrian minister, Count Coloredo, is in London.

Who generally prefer a suspension of labor, to hard work and yield of ten dollars or an ounce per diem. But one man, we are told, remains he uses of the ballot were strongly exemplified, a seriously exemplified, be not being taken first in that way gave 405 to 33, but the vote by division, which threw off a mantle of secresy, gave the ministry half a modified votes. The next ministerial trial was a motion of M. Lanjuinals, to whom many embers gave way. Its purport was that the secure of eventual success have been made, a considerable numbers gave way. Its purport was that the secure of eventual success have been made, a considerable numbers gave way. Its purport was that the secure of eventual success have been made, a considerable numbers gave way. Its purport was that the secure of eventual success have been made, a considerable numbers gave way. Its purport was that the secure of eventual success have to do?—

Austrian minister, Count Coloredo, is in London. If the Neapolitan-Sicilian affair is settled, if the Neapo daily average we can safely set down at \$28 each man. The Indians in this quarter are reported quiet, and hopes are entertained that the new Associated the have crossed the Austrian frontier into have many most in May. M. Lanjuinals' more than the singular good fortune of an eloquent port from M. Lamartine. The first clause and points, is very uncertain; if it were to be relied on, Hungary must long ago the majority still more decided. The sembly is now manageable, and the mountaine of an eloquent of the mountaine of an eloquent point from M. Lamartine and the singular good fortune of an eloquent port from M. Lamartine. The first clause that the majority of 133, and it was finally riced by a majority still more decided. The sembly is now manageable, and the mountaine is yet to be done there. The Hungarians hold out even to the burning of forests and the retaking of fortresses. The shouting of sentinels.

The gold is extracted at unusual depths, from a laily average we can safely set down at \$28 each man. The Indians in this quarter are reported quiet, and hopes are entertained that the new has the liance with Russia, whose troops are positively stated to have crossed the Austrian frontier into ported quiet, and hopes are entertained that the new here entertained that the have to have crossed the Hungarian peace may be preserved. The North and Middle Forks remain as reported. In the vicinity of and upon the rivers flowing into the San Joaquin, most work is probably at present done. The Statuslaus, though very high, coontinues to be worked. The mountain canons are worked by immense numbers, and gold found at the depth of fourteen feet below the surface, we are credibly informed. Machines are altogether used.—

The gold is extracted at unusual depths, from a limited number of the first clause.

The fresh man. The Indians in this quarter are reported unert that the have constituted that the ported was presented. The North and the days of the Empire. He is every where retaking of fortresses. The shouting of sentinels

In Sardinia the ministry are extremely advanhearts of the Parisians, who are once more ployed and happy. The Carnival is proceedingally; the trials of the state prisoners excite dangerous interest the dissolution of the Ashis is a certainty, and confidence is restored. his private charities, have completely won ced in their views; a "popular manifestation" of to the hope that generous mediation of our allies
and Marshal Bugeaud has suggested at will-terminate the present suspense if we are dede, and Marshal Bugeaud has suggested at received, it cannot prevent recommencing the war received, it cannot prevent recommencing the war 17th of April, and was about to provinces and army must operate on Paris, with full confidence of gaining the Victory."
